

## Classica Homes, Bob Hopkins Legacy Scholarship

Classica Homes is proud to offer the opportunity for a scholarship to students seeking secondary education, with the ***Bob Hopkins Legacy Scholarship***.

The scholarship is named after Bob Hopkins, who was an employee, co-worker and friend to all at Classica Homes, for over 10 years. Bob was tragically killed when confronted by individuals attempting to steal his truck, in December of 2019. Bob left behind a loving family, friends and all at Classica and those who are the craftspeople building our homes. His loss left a void that can never be replaced and he will always be remembered, as he truly lived a life of honor, love and care for everyone.

Bob also lived and demonstrated the Classica values, every day. As part of this scholarship, we will tie those values to the theme for the application essay. The six core values of Classica Homes, include:

- ***Adapt*** - Nothing stays the same forever and we need to learn and grow in order to deliver on our promise.
- ***Deliver*** - Hard work is what it takes to make things happen. We have to deliver a 100% effort everyday to make things happen - a little sweat and dirt is a by-product of a good day.
- ***Do What's Right*** - As long as we can tell our mom about what we did, the decision was probably the right one.
- ***Passion*** - From our accounting Team to our building Team, it is passion about our homes, our clients and processes that turns us on. Without it, you need not be on our Team.
- ***Vision*** - Vision for the future doesn't reside at the top. We expect every Team member to think down the road and contribute to making our experience the best.
- ***Team*** - Nothing is more important than the work we all do together. There are no superstars at Classica, only Team members who share, care and work towards one goal together.

We wish you the best of luck in applying for the Bob Hopkins Scholarship. Most of all we wish you a successful start of your career by taking the next step in your education as well as the hope you can live your life filled with strong values.

All the best,
